Whether you're dining with us or out for drinks with friends, whatever your tittle we trust you will have a fabulous time and maybe try something a little different. Go on you know it makes sense, because no great story ever started with a glass of milk!

## THE GIN & TONIC

### CLASSIC

Old school cool & clean flavours

BROKERS 40% | 9  
The Original Craft Gin... Traditional style w/ juniper, orange & lemon zestiness w/ lingering cracked black pepper. Fever-Tree Indian tonic w/ lemon twist & juniper

CHASE GB 40% | 9  
Wild botanical infusions of cinnamon, nutmeg, ginger, almond, coriander, cardamom, cloves, liquorice & lemon give our one-of-a-kind gin its distinctive flavour. Fever-Tree Mediterranean tonic w/ ginger & lemon

HAYMAN'S OLD TOM 40% | 9  
Taking inspiration from a traditional style of slightly sweetened gin that was extensively enjoyed in 18th & 19th century England. Fever-Tree Lemon tonic w/ orange & mint

### CROWD PLEASERS

The new kids on the block making gin the thing once again...

BROOKLYN GIN 40% | 10  
Small batch from NYC. Hand cracked juniper & lemon, limes & oranges freshly peeled are paired w/ cocoa nib, lavender on a soft gin base. Fever-Tree Elderflower tonic w/ a trio of citrus

MARTIN MILLERS 40% | 10  
Distilled in pot stills & shipped to Iceland, where it is mixed w/ Icelandic spring water. Flavoured w/ Tuscan juniper, cassia bark, angelica, Florentine orris, coriander, Seville citrus peel, nutmeg, cinnamon and liquorice root. Fever-Tree Elderflower tonic w/ strawberry & crushed black peppercorns

BROCKMANS 40% | 10  
Beautifully made, intensely smooth & to be enjoyed into the night. Deliciously sumptuous w/ a daring allure. Aromatic, almost gingery orange flavour, w/ the softer, rounded harmonies of blueberries & blackberries. Fever-Tree Mediterranean tonic w/ grapefruit twist & blueberries

### ADVENTUROUS

Making waves and setting the bar. Try something different...

MONKEY 47 47% | 11  
Straight from Germany w/ yes you guessed it, 47 botanicals... Predictably complex, this is a robust & powerful gin with plenty of spice, fruit & herb flavours. It's very well structured & difficult to unpick but a citrus fresh start segues into pine & wood notes for a drying finish. Fever-Tree Indian tonic w/ cucumber & mint

SIPSMITH VJOP 57.7% | 11  
Imagine the botanicals as components in an orchestra, here we have taken the lead instrument, juniper, & amplified its presence in the ensemble, then raised the decibels by increasing the proof alcohol. The result is our very own symphony in 'J' major. Fever-Tree Aromatic tonic w/ fresh lemon & a twist

PINK PEPPER 44% | 11  
A Pink Pepper Gin from French producers Audemus, situated in the heart of Cognac. Made w/ hand-picked pink peppercorns & a handful of other tasty botanicals (including honey, vanilla & cardamom - all of which are macerated separately then distilled under low pressure & temperature). You'll find a good juxtaposition between sweet & spicy notes in this one. Fever-Tree Mediterranean tonic w/ a grapefruit twist

### GUEST GIN

We are proud of our range of gins & always on the lookout for tasty additions. Ask your server about our current guest gin & feel free to recommend your favourite, we'll order it in for you, it's all about you!
