## Dietary Needs, Allergens & Intolerances

If you have a food allergy or intolerance, please advise a team member when ordering your food. Even if you are a regular customer please inform us as our ingredients and recipes can change from time to time.

If you like the look of something that isn't vegan or gluten-free, please speak to a member of our team and we will do our utmost to adjust dishes for your dietary requirements.

Our fish may contain bones; our game may contain shot and our nuts definitely contain nuts!

We produce our food in kitchens where our teams handle allergens. Equipment and utensils are used for multiple menu items, including those containing allergens. All of our fryers are used for cooking products that may contain gluten. While we try to keep things separate, we cannot guarantee any item is allergen-free.
